PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
MEETING DATE: August 2, 1989
AGENDA TITLE: Contract Agreement for Design and Preparation of Construction Drawing for Hale Park, 209 East Locust Street

RECOMMENDED ACTION: That the City Council authorize the City Manager and City Clerk to execute the contract agreement between the City of Lodi and Richard Bigler for providing construction plans and specifications for the Hale Park improvements.

BACKGROUND INFORMATION: Under last year's Capital Improvement Program, the City Council allocated block grant funds for phased construction and upgrade of the Hale Park facilities. The improvements to be made with block grant funds did not include the replacement of the Hale Park building. The proposed addition to the existing parking lot will be designed by the Public Works Department. All other improvements included in the accepted Hale Park Master Plan are covered under this agreement.

The contract amount is \$41,650. Forty thousand dollars has been budgeted for this work. Therefore, Council approval of this contract will include allocating an additional \$1,650 from the General Fund Operating Reserve.
